MOUNTAIN BIKING Trail Map

#2
of
12

Trails on this map are stewarded by the Kennebunkport Conservation Trust and Biddeford Recreation.

Before you go: Check kporttrust.org and biddefordrec.com for up-to-date information. Trails may change, conditions may require closures, hazards may be posted. It's always best to check. Also see wendingmaps.com/map-2

HOW TO BE A COURTEOUS MOUNTAIN BIKER

- Always slow down and yield to pedestrians, equestrians, and skiers—especially seniors and kids.
- Let others know you're coming up behind them. A bell-ring or a hello is good.
- Leave no trace—no trash, no defacing, no skid marks. Take only pictures.
- Always read the kiosks. Follow direction there and on trail signs.
- Don't ride unauthorized trails. And don't ride trails when they're closed. You'll jeopardize our ability to ride the rest.
- Choose not to ride trails that are particularly soft and muddy, even if they're not closed. When it rains, let it drain.
- Ride the middle line. When you come across a puddle, slowly ride through—not around. If we ride at the edges of trails, they widen and become harder to repair or improve. And don't cut corners.
- Pitch in. Trail building and maintenance don't happen magically. If you ride it, work on it. For info on volunteering, visit wendingmaps.com.
- Whether riders, pedestrians, skiers, or equestrians—when groups cross in opposite directions, let the other group know how many riders are behind you, especially if your whole group isn't visible.
- Where riding with your dog is permitted, be sure to keep in control at all times. Even a friendly dog hello is not welcomed by everyone.
- When riding with others, regroup away from homes and refrain from being noisy in populated areas.
- When riding with others at night, regroup well away from road crossings to avoid confusing cars.
- When you discover a problem on the trail (bees nest, broken bridge, etc.), take a minute to notify the organization that cares for the trails. You can find a list on wendingmaps.com.

THE SKINNY

Trails on these maps are open to the public, though most are not public property. Let's exercise proper use, trail courtesy, and respect for land owners' wishes. Always read trailhead kiosks and follow trail signage.

KEEP IT ROLLING

Help ensure these trails continue to be available for us to ride: Join, donate to, and volunteer with the organizations listed on the cover. Help them keep these trails safe and fun.

Also be sure to join and volunteer with your local chapter of the New England Mountain Bike Association, whose mission is to steward the trail systems where we recreate, preserve open space, and promote the best that mountain biking has to offer. Join at nemba.org.
